for CLV countries

## TRAININGS/WORKSHOPS/SLV ACTIVITIES

### KKU and MI launch the X-water project

Funded by the Mekong-Republic of Korea Cooperation Fund, MI joined the Center for Civil Society and Nonprofit Management of the Faculty of Humanities and Social Sciences, Khon Kaen University in an online event to launch the ‘Enhancing the Community and Small-Scale Water Resource Management in the Mekong Sub-region (X-water)’ project on January 28, 2022. [Read more.](#)

### MI and SSC conduct training on Good Hygiene Practices in Food Cottage Industries in Lao PDR

With support from the New Zealand Aid Programme, MI and SME Service Center of the Lao National Chamber of Commerce and Industry, organized an in-country training on “Good Hygiene Practices in Food Cottage Industries” from January 27 to 28, 2022 in Luang Prabang, Lao PDR. About 19 participants from the food cottage industry and academic institute, attended this training to enhance their capacity in dealing with many aspects of business operation, specifically good hygiene practices. ### MI organizes workshop on National Single Windows of the Mekong Countries

To present the highlights of research results among relevant stakeholders, MI organized an online validation workshop on the study titled ‘Implementation of National Single Windows in the Mekong Countries and Operability with the ASEAN Single Window’ on January 21, 2022. [Read more.](#)

## MI partners with GIZ and ASEAN to scale the standard for organic agriculture in Southeast Asia

MI, in collaboration with the Association of Southeast Asian Nations (ASEAN ) and the German Corporation for International Cooperation, conducted an online “Regional Training of Trainers for the Implementation of the ASEAN Standard for Organic Agriculture”. To advance best practices in organic agriculture towards resilient and sustainable food systems, 27 national representatives from the ASEAN Member States attended the training from January 13 to 21, 2022. [Read more.](#)

## Cambodia kicks off a capacity building program on road maintenance for CLV countries

Supported by the Mekong-Republic of Korea Cooperation Fund, MI and Cambodia’s Techo Sen Institute of Public Works and Transport officially launched the “Capacity Building for Road Maintenance Methodology to Promote Sustainable Infrastructure in CLV countries” program on January 17, 2022. [Read more.](#)
